

Letter No. 723 /IT Cell/IUP/2025-26  
Dated : 08 July 2025

To,

Additional Principal Chief Conservator of Forests (IT)  
Environment, Forest, and Climate Change Department  
Uttar Pradesh Forest Corporation  
Aranya Vikas Bhawan, 21/475, Indira Nagar,  
Lucknow, Uttar Pradesh, 226016

**Subject:** Confirmation of Suggested Business Process Re-Engineering for Forest department related Services on Nivesh Mitra 3.0

Dear Sir,

Greetings from Invest UP.

Nivesh Mitra (NM) 2.0 has played a pivotal role as Uttar Pradesh's single-window system, significantly streamlining the interface between investors and the State's regulatory framework. As part of the ongoing transition to **Nivesh Mitra 3.0**, a comprehensive **Business Process Re-engineering (BPR)** initiative is being undertaken across all stakeholder departments, including the Forest Department.

In reference to our earlier consultations and departmental discussions, I am pleased to submit Suggested Business Process Re-Engineering for Forest Department related Services on the Nivesh Mitra 3.0.

In **Know Your Approval (KYA)** section please suggest the questions to be asked from the user to select the service. Based on the response of the user to the suggested questions, the services will be dynamically listed:

**For Example: Forest Department**

**Select Service - NOC for Tree Felling**

Question: - Is there any need to Fell trees in Proposed Site = **user input required**

**Service - Transit permission**

Question: - Do you Require Transit Permission from Forest Department = **user input required**

**\*\*Please share all such scenarios/ questionnaire \*\***

I request your kind review and feedback on these proposed department-level and form field-level improvements including document checklist. A Proposed/ Recommended Form Fields for Tree felling & Transit Pass, overall recommendations, and Benchmarking with other state's Best Practices is enclosed herewith for your perusal.

---

6th Floor, A-Block, PICUP Bhawan, Vibhuti Khand  
Gomti Nagar, Lucknow-226 010 (U.P.)

Website : <http://www.invest.up.gov.in>  
Phone : 0522-3129555

**INVEST UP**  
(Investment Promotion & Facilitation  
Agency of Govt. of Uttar Pradesh)

I look forward to your continued cooperation in this reform initiative. In this regard, you are kindly requested to share your inputs within the next three working days, including any suggestions for additions or removals in the Final Proposed Input Fields for Nivesh Mitra 3.0. Your timely feedback will help us ensure that the system design reflects operational requirements and aligns with departmental objectives.

Enclosure: Business Process Re-Engineering document for forest department related Services

With regards,

  
(Vijay Kiran Anand)  
o/c Chief Executive Officer

Copy to -

- Principal Secretary / Secretary Department of Forest, Government of Uttar Pradesh
- Principal Chief Conservator of Forests (PCCF), 17, Rana Pratap Marg, Lucknow, (U.P.)

  
(Vijay Kiran Anand)  
o/c Chief Executive Officer

**Business Process Reform (BPR) report for the Uttar Pradesh Forest Department**, focusing on the services of **NOC for Tree Felling and Transit Permission**, aligned with Ease of Doing Business (EoDB) principles and based on best practices such as Telangana's iPASS model:

## 1. Introduction

### 1.1 Objectives of the BPR

This Business Process Reform (BPR) initiative focuses on two critical services provided by the Uttar Pradesh Forest Department through Nivesh Mitra 2.0:

1. NOC for Tree Felling
2. Transit Permission (for Timber and Forest Produce)

The primary objectives of this BPR are to:

- Map the current "as-is" process flows and identify inefficiencies.
- Understand stakeholder pain points through consultations.
- Benchmark processes against national best practices (e.g., Telangana iPASS).
- Align services with Ease of Doing Business (EoDB) parameters.
- Recommend reforms to enhance digital service delivery, reduce approval timelines, and promote transparency and investor confidence.

### 1.2 Relevance to EoDB Parameters

The reforms align with key EoDB indicators such as:

- Time-bound clearances
- Transparency in application processing
- Single-window interface
- Reduction in compliance burden
- End-to-end online services

## 2. Stakeholder Consultations

### 2.1 Department-Level Consultations

A departmental consultation was held on **20 June 2025** with the senior officials: (**Annexure A**)

**Key Decisions Taken:**

- Reduction in the number of form fields to minimize data duplication.
- Direct forwarding of applicant requests to the **Range Office**, bypassing multiple layers.
- Digitalization of internal routing and verification processes.
- In case of **individual person** application, it could be verified through Aadhar authentication and NM 3.0 will redirect such application to Forest department portal.
- In case of yearly plantation drive of forest department, an Office Order/ notification will be done by Forest department to hold the felling service for three months.

### 2.2 Investor Feedback

Interacted with investors 1- TATA TEXTILES - RAHUL GUPTA; NEW GULSHAN TRADING COMPANY -SHAHIN SABA  
Investor interactions indicated the following challenges:

- Complexity of forms with duplicate and manual data entry.
- Lack of status tracking and clarity on approval timelines.
- Unpredictable physical verifications leading to delays.

## 3. As-Is Process Mapping

### 3.1 Key Issues Identified

Over-Collection of Data

- Forest Department Tree Felling Service application form has 53 fields , some of them are irrelevant. **(Annexure B -detailed table)**
- Applicants are often asked to provide redundant and repeated inputs that ideally should not be asked (e.g. Pargana, Thana, Postal, Gram Sabha, Plot No/Gata Number, District Forest officer, who will do the felling).
- Repeated input of address information.
- No integration with land records or location systems.
- Time-consuming, redundant verification loops.

### **3.2 Current Workflow (Annexure C)**

#### **NOC for Tree Felling**

- Application submitted via Nivesh Mitra.
- Routed to Divisional Forest Officer (DFO).
- On DFO's approval, sent to Sub-Divisional Officer (SDO).
- Then forwarded to Range Officer (RO).
- RO sends field staff to verify tree details physically.
- Final approval sent back through the hierarchy.

### **3.3 Current Workflow (Annexure D)**

#### **Transit Permission**

- No automated linkage to felling NOC.
- Manual approval and physical permit issue.
- No digital tracking after issuance.
- Check-posts rely on physical verification without digital records.
- Integration with NTPS is proposed.

## **4. Benchmarking with Best Practices**

As of the most recent data (2024–2025), many Indian states have integrated tree felling permission (NOC) and other forest-related services into their Investors' Single Window Systems under Ease of Doing Business (EoDB) reforms, especially those guided by DPIIT. However, there are still a few states/UTs that have not fully integrated or do not offer tree felling permission as an online service through their investor portals.

Here is a comprehensive State-wise Matrix for the two Forest Department services:

- ✓ = Fully online and integrated with Investor Single Window
- 🟡 = Partially online / Not integrated with Investor Portal
- ✗ = Not digitized / Only offline

 State-Wise Status Matrix: Tree Felling NOC & Transit Pass Permission (as of 2024–25)

State / UT	Tree Felling NOC	Transit Pass Permission	Integrated with Investor SW Portal?
Andhra Pradesh	✓ Online via AP Single Desk	✓ Online	✓ Yes
Assam	🟡 Partially Online (via Harit Sethu)	🟡 Partially Online	✗ No
Chhattisgarh	✓ Online via CMC	✓ Online	✓ Yes
Delhi	✗ Offline	✗ Offline	✗ No
Gujarat	✗ Offline (eForest not linked to investor portal)	🟡 Online for forest produce	✗ No
Haryana	✓ Online via HEPC	✓ Online	✓ Yes
Himachal Pradesh	✓ Online	✓ Online	✓ Yes
Karnataka	✓ Online via Parihara	✓ Online via Parihara	✓ Yes
Kerala	🟡 Partially Online	✓ Online (Transit Permit)	🟡 Partial
Madhya Pradesh	✓ Online via MP SWP	✓ Online	✓ Yes
Maharashtra	✗ Offline (Manual through FD offices)	🟡 Partial via FD site	✗ No
Odisha	✓ Online via GO SWIFT	✓ Online	✓ Yes
Punjab	✓ Online via Invest Punjab	✓ Online	✓ Yes
Rajasthan	🟡 Partial (offline in many districts)	🟡 Partial	✗ No
Tamil Nadu	✗ Offline	✗ Offline	✗ No
Telangana	✓ Fully Online via TS-iPASS	✓ Online	✓ Yes
Uttar Pradesh	🟡 In-progress on Nivesh Mitra	🟡 Partial	🟡 Reform underway
Uttarakhand	✓ Online	✓ Online	✓ Yes
Chandigarh	✗ Offline	✗ Offline	✗ No
Jammu & Kashmir	🟡 Some digitization via JK Forest	🟡 Partial	✗ No

Notes:

- DPIIT's EoDB assessment encourages inclusion of all regulatory services, including tree felling NOCs, in single window portals.
- Many states may have forest portals (e.g., Gujarat's [Van Sankul](#)), but not linked to investor facilitation systems.

Example

Odisha GOSWIFT

Stage -1 Timber Transit Permit Application & Tree Felling N.O.C

As per Rule, a Transit Permit will be issued either for a fresh application for the standing trees or a in lieu permit against a transit permit earlier issued for logs/ timbers. In case of earlier one, Form III is the application form whereas in case of in lieu permit Form II is the application form to apply a Transit Permit. In case of an application for Transit Permit in Form III, three stages are followed for issue of final Transit permit as per Rule with a specific time limit ([Link](#)).

Check List for the application:

- Form- III application duly filled in
- Land Record – A) Patta, B) Latest Rent Receipt, C) Copy of sketch Map,

3. Legal heir certificate in case of applicant is different from the name mentioned in the patta.
4. Affidavit of legal heirs about No Objection for allowing applicant to apply for removal of tree.

#### Stage-3 Submission of Forest Produce , vehicle detail & Issue of T.T. Permit

- The applicant will prepare the list of logs and firewood etc need for transportation to the destination decided by him.
- He will apply with a list in an application as per the Check list.
- The authorized officer will issue T.T. Permit in Form I in favour of the applicant for the logs to be transported in different vehicles and different dates of the logs as per the stump site verification received from the officer entrusted earlier during Stage 2.

#### Check List for application:

1. Name of the applicant
2. Description of the produce:
  - a. Serial No. with measurement
  - b. Quantity
3. Name of the Driver,
4. Vehicle Number,
5. Transportation details:
  - a. Starting location,
  - b. Destination,
  - c. Route (Intermediary important location)
6. Date of Transport

#### 5. Gap Analysis

Parameter	Current Status (UP)	Best Practice Benchmark (Telangana)
Application Flow	Multi-layered, slow, manual	Parallel processing with auto-routing
Geo-verification	Absent	Enabled via GIS integration
Document Upload	Manual, not validated	Auto-check with reuse (DigiLocker)
Integration with Land Records	Not available	API-linked to land DB
Status Tracking	Poor, manual follow-up	Real-time dashboards & SMS alerts

#### 6. Recommendations

##### 6.2 Transit Permission – Recommended Reforms (In line with National Transit Pass System)

Area	Reform Suggestion
Link with Felling NOC	Auto-populate tree data post-NOC to avoid re-entry
Digital Permit Generation	QR-coded, time-bound e-permit downloadable by applicant
Field Verification	Mobile app for QR scanning at check-posts
GIS Tracking	GPS/RFID-based movement tracking for large shipments
Transport Dept Integration	Cross-check carrier info with RTO vehicle database
Monitoring Dashboard	Permit-wise dashboard with filters by district/species/date/volume

### 6.3 Proposed/ Recommended Form Fields for Tree felling & Transit Pass

S N	CAF	KYA	Tree felling NOC	Transit Pass Permission
1.	Personal Details	Do you need Tree felling NOC?	<b>Tree felling location identification</b>	Select area: - Rural / Urban (dynamic input fields)
2.	Communication Address (district, Tehsil, Town / Village, Pincode)	Do you need transit paas?	Plot Address (district, Tehsil, Town / Village, Pin code) (Dropdowns from land records for plot/tehsil/village)	District Tehsil Village, Pin code (Visible only if this service is not clubbed with Tree felling NOC)
3.	Enterprise/ Unit Details		Plot number/Gata number (Rural)/ Plot No. / House No. (Urban)	Plot number / house number / Address (Visible only if this service is not clubbed with Tree felling NOC)
4.			Plot Area (in meter) (auto convert to hectare)	<b>Details of the variety whose produce is proposed to be brought</b>
5.			Species	Species (no repeat if clubbed)
6.			No. of Pole's	Weight (in tons) / bag
7.			Number of trees	Reason – add more rows
8.			Estimated Volume of Timber (in Meters)	<b>Transportation of produce and place of destination</b>
9.			Girth (in Meters)	Conveyance
10.			Estimated Firewood/Rootwood/Faggot <b>Plantation location identification</b>	Net weight approx (in tons) / bag
11.			Plot Address (district, Tehsil, Town / Village, Pin code)	Beam / Pole vehicle number
12.			Plot number/Gata number (Rural)/ Plot No. / House No. (Urban)	Name of the village/town from where the produce will be transported
13.			Plot Area (in meter) (auto convert to hectare)	Name of the village/town where the produce will be taken
14.			Auto fee calculation upon number of trees with payment gateway	
15.			Document Upload <ul style="list-style-type: none"> <li>• Power of Attorney (if applicable) in original on non-judicial stamp paper attested by a notary</li> <li>• "Relevant latest original copy of Khasra* (Rural)"</li> <li>• Relevant latest original copy of Khatauni* (Rural)</li> <li>• Registry of Plot / House (Urban)</li> <li>• Photograph of trees with date * (maximum size 300 KB)"</li> </ul> 6- Terms and Conditions <ul style="list-style-type: none"> <li>• I/We undertake to plant and protect trees ten times the</li> </ul>	

S N	CAF	KYA	Tree felling NOC	Transit Pass Permission
			<p>number of trees cut before the end of the rainy season immediately following the cutting of the trees.</p> <ul style="list-style-type: none"> <li>• I/We agree to pledge a post office/bank passbook/National Savings Certificate of Rs.1000/- per tree in the name of the competent authority as security for planting and subsequent maintenance of ten saplings for each tree cut.</li> <li>• I / We have read the provisions of the Uttar Pradesh Tree Protection Act 1976 and I / We certify that I will abide by them, violation of which will render me liable for the fine or punishment as prescribed by the Department under this Act.</li> <li>• I / We certify that the above information is correct and true to the best of my / our knowledge.</li> </ul>	

#### 6.4 Comparative Analysis: Line Department FOREST Field Matrix

#	Departments Name	Pre-Establishment Services	Other state	NM2.0	Suggested
1	COMMON FIELD	Common Fields in NM2.0 & TG-iPass	39	61	34
2	FOREST	NOC for Tree Felling	11	53	15
3	FOREST	Transit Pass	11	53	15

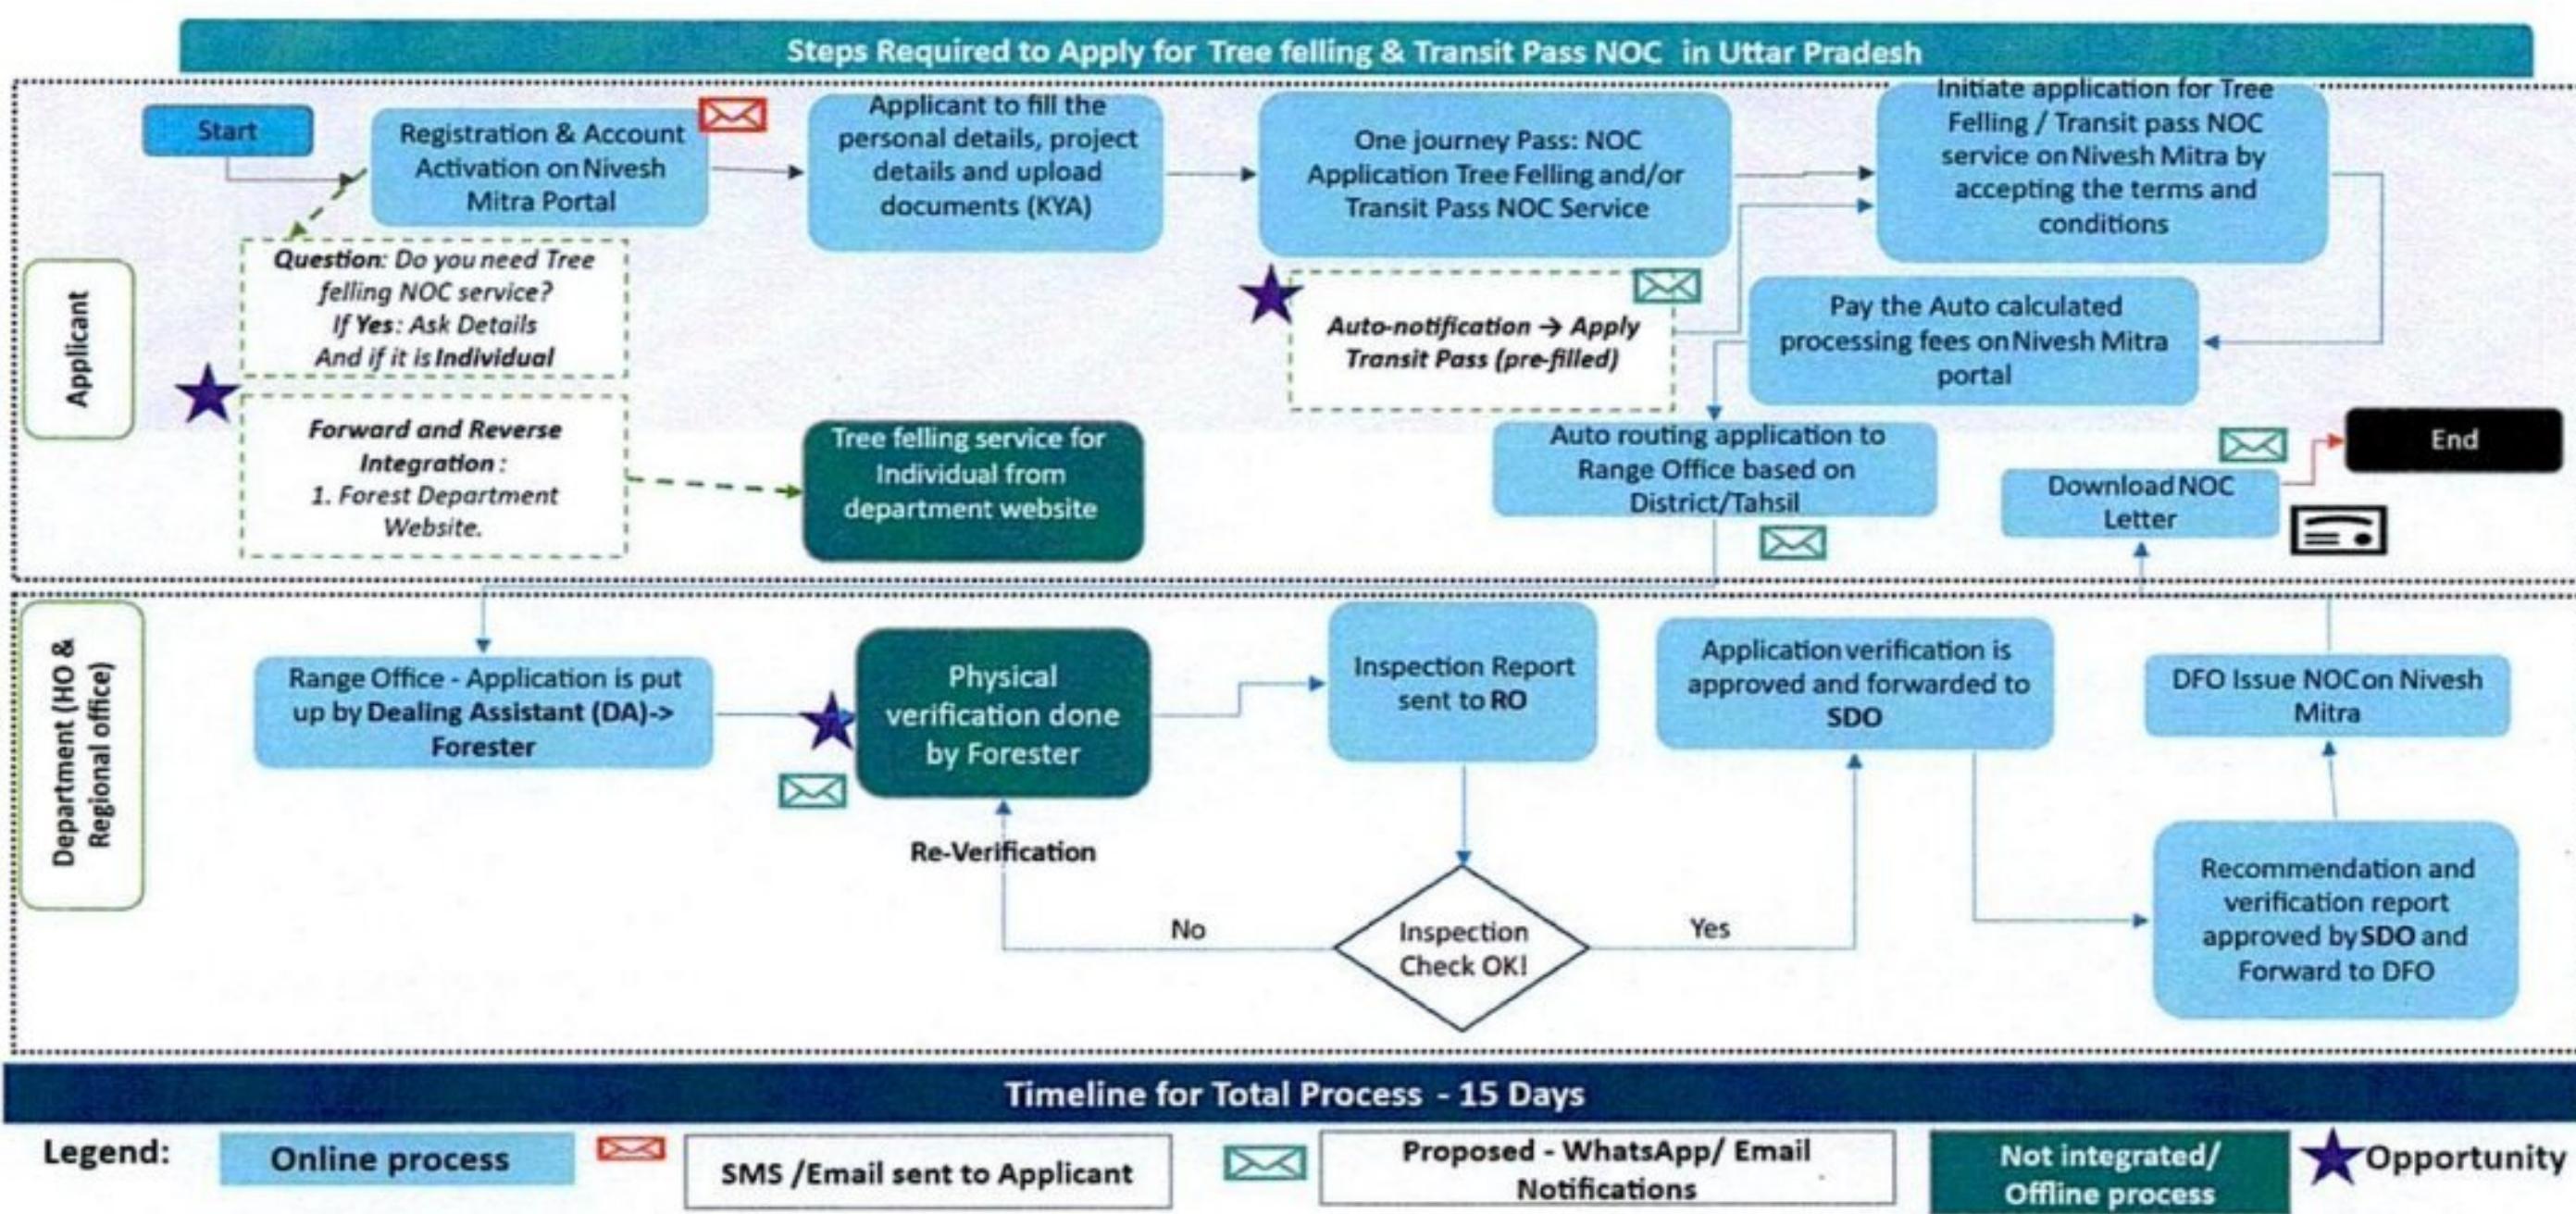

#### 7. Cross-Cutting Digital Reforms for Both Services

Digital Reforms	Details
Unified Portal Workflow	One journey: NOC Application → Approval → Transit Request (pre-filled data)
Mobile App for Field Use	For geo-tagging, photo upload, live status update
SMS/WhatsApp Alerts	For submission, fee payment, approval, permit generation
MIS Dashboard	SLA tracking, officer-wise workload, district-level analysis
Legal Compliance Mapping	Ensure re-engineered processes comply with Forest Act & UP Tree Preservation Rules

## 8. Proposed End-to-End Online Execution Flow

### Scenario Analysis – Tree felling & transit pass NOC through Nivesh Mitra

Nivesh Mitra  
3.0

Investor → Apply NOC (Smart Form) → Auto-routing to RO → Field Verification (App-based) → DFO Approval → Auto-notification → Apply Transit (pre-filled) → Generate Digital Permit → QR Verification at Check Post → Completion & Dashboard Update  
 Submit → **Auto-route to RO** → Internal routing via dashboard; Currently, there are 4 levels (DFO, SDO, RO, Forester) in application processing, which should be reduced to 3 levels.

## 9. Implementation Roadmap

Phase	Activities	Goal
Phase I	Process Mapping, Stakeholder Consultations, Drafting Reform Blueprint	Short Term
Phase II	Form Design, API Development, Integration with Land Records	Short Term
Phase III	Mobile App Rollout, Dashboard Setup,	Medium Term
Phase IV	Pilot in 3 Forest Divisions, Feedback Loop, Scaling Across State	Long Term
Phase V	Full Rollout on Nivesh Mitra, Continuous Monitoring, Grievance Redressal	Long Term

## 10. Action suggested to the Department:

- Direct forwarding of investor requests to the Range Office (RO), bypassing intermediate layers. An office order is required to expedite the process in accordance with the Office Order dated 21-01-2015 (**Annexure-E**) concerning the 'Implementation of Online Tree Felling Permission System under e-Governance'.
- A minimum Timeline of 15 days is in line with THE U.P. PROTECTION OF TREES ACT, 1976 (**Annexure – F**) and UP Public Service Delivery Guarantee Act (Janhit Guarantee Act) (**Annexure – G**) also complemented with a Government Notification (**Annexure -H**) to issue Inspection Report within 48 hours at ground verification level (Forester).
- Digitalization of internal routing and verification processes in transit pass permission using NTPS with provision for integration with NM 3.0.

- For individual applicants, verification can be carried out through Aadhaar authentication on NM 3.0, following which the application will be redirected to the Forest Department portal for further processing."
- For the annual plantation drive conducted by the Forest Department, a Government Order (GO) notification is required to temporarily suspend the tree felling service during the three-month rainy season."
- Master data for **district, tahsil & range offices** is required from the department.

## Annexures

- Annexure A: Stakeholder Meeting Minutes (20 June 2025)
- Annexure B: Detailed table of Input Fields
- Annexure C: As-Is Process Flow Diagrams – NOC for Tree Felling
- Annexure D: As-Is Process Flow Diagrams – Transit Pass permission.
- Annexure E: Office Order – Regarding Implementation of online tree felling permission system under e-Governance.
- Annexure F: THE U.P. PROTECTION OF TREES ACT, 1976 [U.P. Act No. 45 of 1976]
- Annexure G: Government Notification UP Public Service Delivery Guarantee Act (Janhit Guarantee Act)
- Annexure H: Government Notification to issue Inspection Report with 48 hours

### **Annexure A: Stakeholder Meeting Minutes (20 June 2025)**

#### **Department-Level Consultations (Minute of Meeting)**

A departmental consultation was held on **20 June 2025** with the following senior officials:

- **N. Ravindra**, Additional Principal Chief Conservator of Forests (IT)
- **P. K. Gupta**, Chief Admin
- **Anmol Gupta**, Senior Software Developer
- **Chandra Prakash**, Senior Software Developer
- **Amit Shrivastava**, MIS Officer

Officers from Invest UP – Pankaj Arora, GM IT & EoDB, Anuj Awasthi, Consultant, EoDB Team, NM3.0 development team, CMS.

#### **Key points discussed:**

- In case of individual person application, what should be the process flow?
- The application for tree felling will be on hold from 1 July to 30 August every year due to tree plantation drive of forest department.
- Bhulekh data can't be utilised in identifying the land record due to data inconsistency.

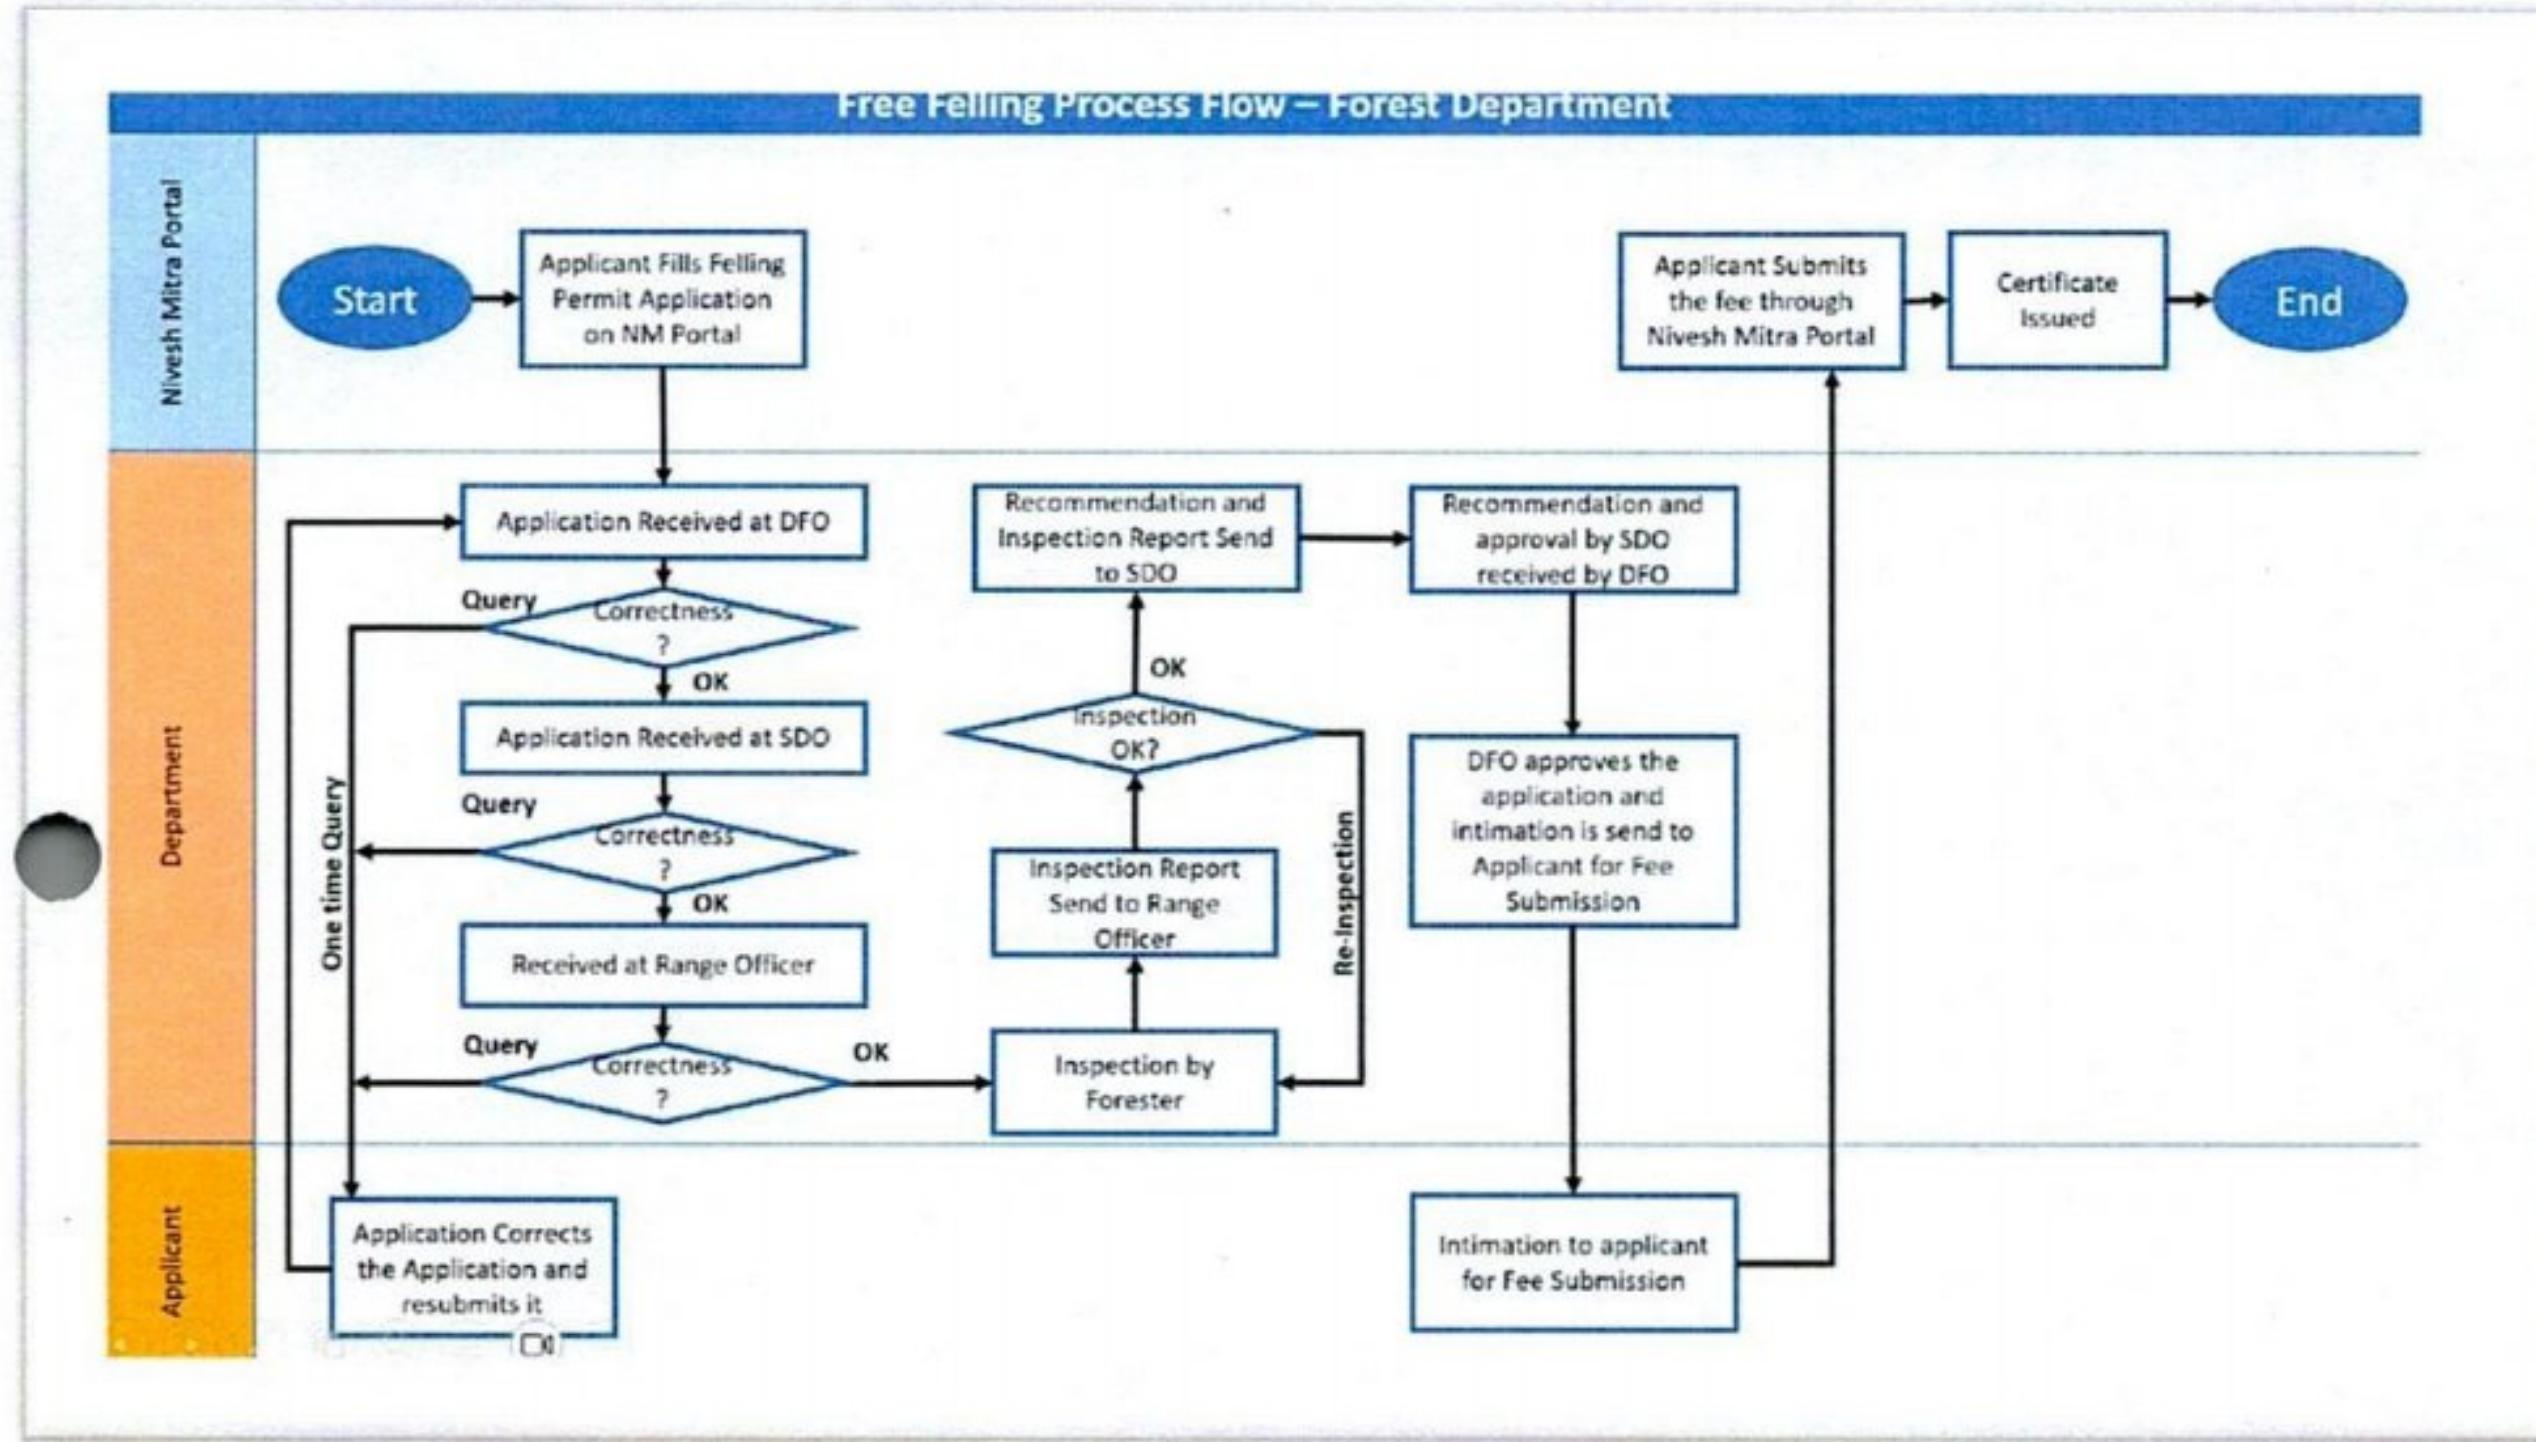

#### **Key Decisions Taken:**

- Reduction in the number of form fields to minimize data duplication.
- Direct forwarding of investor requests to the Range Office, bypassing multiple layers.
- Digitalization of internal routing and verification processes.
- In case of individual person application, it could be verified through Aadhar authentication and NM 3.0 will redirect such application to forest department portal.
- In case of yearly plantation drive of forest department, A GO notification will be done by forest department to hold the felling service for three months.

## **THE U.P. PROTECTION OF TREES**

**ACT, 1976**

[U.P. Act No. 45 of 1976]

Sections:

- 1. Short title, extent and commencement**
- 2. Act not to apply to certain Areas**
- 3. Definitions**
- 4. Restriction on felling and removal of trees**
- 5. Procedure for permission to fell remove trees**
- 6. Representation against the decision of the Competent Authority**
- 7. Obligation to plant trees**
- 8. Plantation of trees in blank area**
- 9. Implementation of directions given under Section 7 and 8**
- 10. Penalty for felling or removal of trees in contravention of Section 4**
- 11. Offences by companies**
- 12. Forfeiture of timber**
- 13. Power to arrest without warrant**
- 14. Power of seize**
- 15. Power to compound offences**
- 16. Contravention of Act to be reported by certain officers**
- 17. Award of penalty or confiscation not to interfere with other punishment**
- 18. Officers to be public servants**
- 19. Execution of order for payment of money**
- 20. Bar of proceedings**
- 21. Exemption**
- 22. Provisions of this Act to be in addition to any other law for the time being in force**
- 23. Power of the State Government for preservation of trees**
- 24. Power to make rules**
- 25. Renewal and savings**

**1|5. Procedure for permission to fell remove trees-** (1) Any person entitled to fell a standing tree or to cut, remove or otherwise dispose of a fallen tree, may make an application to such officer in such form as may be notified by the State Government, for permission to fell such standing tree or to cut, remove or otherwise dispose of such fallen tree and the officer to whom such application is made, shall, within twenty days after making such enquiry as he thinks fit, forward the application along with his report to the competent authority.

(2) The competent authority shall, within fifteen days from the date of receipt of the report under sub-section (1), grant or refuse the permission applied for;

Provided that the competent authority may, if he is not satisfied with the report made under sub-section (1), make such further enquiry as he thinks fit:

Provided further that such permission shall not be refused without affording the opportunity of hearing to the applicant;

Provided also that such permission shall not be refused if the tree constitutes danger to person or property:

Provided further that except in such areas as may be notified by the State Government in this behalf, such permission shall not be required for felling of any tree with a view to appropriating the wood or leaves thereof for *bona fide* use for purposes of fuel, fodder, agricultural implements or other domestic use:

Provided also that such immediate steps as are necessary to remove any obstruction or nuisance or to prevent any danger may be taken without such permission.

(3) Where the competent authority fails to take any decision under sub-section (2) within the time specified therefor, it shall be deemed that the permission applied for, has been granted.

(4) Every permission granted under this Act shall be subject to such conditions, including taking of security for ensuring regeneration of the area and replanting of trees or otherwise, as may be specified from time to time by the State Government by notification.

**1|6. Representation against the decision of the Competent Authority-** Any person aggrieved from the decision of the competent authority under Section-5 may make a representation within thirty days from the date of such decision to the Revising Authority and the decision of the Revising Authority on such representation shall be final.]

1. Section 5 and 6 Subs. by U.P. act No. 12 of 2001 and Notification. No. 993/17-V-1-1(a)-5-2001, dated 30 April, 2001, published in U.P. Gazette, Extra Part-1, Section (ka), dated 30 April, 2001.

**Annexure G: Government Notification UP Public Service Delivery Guarantee Act (Janhit Guarantee Act) for Timeline for obtaining Tree felling permission from tree authority / appropriate authority**
